He chose to make
Lubbock his permanent
home because he likes
the blue skies. More
of his hobbies would
be reading, like me!
He thought I should
be asking him, "How
can people look at what
they like to do as a job?"

His answer was "Imagine
what you want to do as a
job, and don't let other
people talk you out of
it." He also says, "You
don't have a place so
much as a place has you."
Well, that's it for today, so
see you next time!
